Mr. Earl Eisenhower  
Minority Staff Director  
Select Committee on Intelligence  
United States Senate  
Washington, D. C. 20510

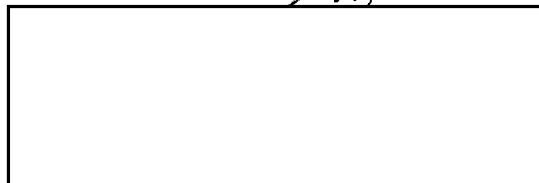

Dear Earl:

Enclosed please find excerpts from two recent letters dealing with both administrative and mission related problems under the Freedom of Information Act (FOIA).

Next week I hope to have for you a compilation of the number of FOIA suits brought against this Agency as compared with other Departments of the Federal Government; updated manpower-drain figures; costs of compliance as best we can estimate and several examples of the various types of operational problems which we have encountered.

Your continued interest in this matter is most appreciated.

Sincerely,

Deputy Legislative Counsel
